## ***Penny's All Breed Animal Rescue - May 2023***

**"Thanks to the Kinsmen Jackpot Bingo money, Penny's All Breed Animal Rescue was able to treat 8 puppies that were sick with parvovirus. These puppies were extremely ill, required hospitalization, and weeks of care and medication. We are happy to say that these pups are now thriving and will go on to live happy lives thanks to this second chance they were given. ♥"**
